ACTION REQUESTED

Motion to approve Resolution 2026-05 supporting Wright County’s Pavement Preservation Project on CSAH 39

REFERENCE AND BACKGROUND

Wright County has a pavement preservation project planned for CSAH 39 in 2026. Portions of the project fall within the city limits and include a mill and overlay of Elm Street between Broadway Street and Golf Course Road, as well as Golf Course Road from 7th Street west to CSAH 8. The project will extend the service life of the roadway, improve the driving surface, and enhance the overall safety for motorists. Construction is anticipated to take approximately one month and is planned for completion this summer.

- I. **Budget Impact:** No local cost participation is expected for the project.
- II. **Staff Workload Impact:** Staff will coordinate with Wright County throughout the project.
- III. **Comprehensive Plan Impact:** The project supports Chapter 8 – Community Facilities and Infrastructure, which identifies the need for ongoing investment in public infrastructure systems—specifically calling for responsible maintenance and lifecycle management of streets and municipal assets as well as continuing support of critical partnerships with other agencies.

STAFF RECOMMENDED ACTION

City staff recommend approving Resolution 2026-05 supporting Wright County’s project.
